

## INVESTMENT PLAN POLICY

The investment is a package that has nothing to do with trading; it has zero risk and below is what you need to know about investment:

- ✓ The minimum amount you can invest is 50,000 naira (fifty thousand naira).
- ✓ The monthly ROI (Return on Investment) is 10% monthly.
- ✓ The monthly ROI is paid at the end of every month.
- ✓ The investment runs for exactly 12 months, after which the contract is terminated except you wish to renew.

NOTE: At the end of the 12 months, you will get back half your capital. If you started your investment mid-way of the month the ROI of the remaining weeks of that month you started your investment will be calculated and paid to you but if you started after 20th the remaining days of the month will be added and paid to you the next month.

- ✓ You can top up your investment within the first six months.

NOTE: Your investment will still run for 12 months, starting from the time you made your initial investment.

- ✓ At BluXarcade investment plan, no Liquidation at any point in time during the 12 months.
- ✓ BluXarcade investment plan, multiple accounts are not allowed for the purpose of proper investment management and prevention of fraud, but you can top up your investment.

- ✓ BluXarcade, your investment is guaranteed because we have adequate risk management with major national and international brokerage firms.
- ✓ Your monthly ROI is paid directly into your registered bank account with us via bank transfer.
- ✓ BluXarcade investment is not a Ponzi scheme; we are involved in actual trading of foreign currencies and crypto currencies on major exchanges and taking advantage of short-term opportunities. A Ponzi scheme is unsustainable. In a Ponzi scheme, you're paid with another member's money, and that member is also paid with yet another member's money and the chain of disaster continues like that until it reaches a peak and everything collapses like a house card. BLUXARCADE actively engages in productive activities that generates daily profits.
